Summary

I'm a Web developer with less than 1 year experience. But my knowleges along with my passion in this field, align with the qualities you desire in a new Web Developer. I have an artistic eye and strong work ethic, but also like to foster an element of fun. I also offer experience in collaboration, critical thinking and motivation. I strongly believe that my creative talents will prove to be a valuable resource for your organization. I look forward to an interview with you and the opportunity to create and grow as your new Web Developer. I believe my academic strengths and passion for creative solutions will be a positive addition to your team and organization’s goals.
